Subject: Entrance Test for the Academic Session 2078 BS

Dear Parents,

Greetings of the day!

In the wake of the renewed surge in the covid-19 infection globally, we have decided to make the Entrance Test procedure simpler and safer for our dear children and valued parents.

In order to avoid large crowds, now aspiring students may take the entrance test for their respective grades at school on any day from 10:00 am.

Hence, you are requested to either visit school directly for the Entrance Test or call the front office for the purpose.

The test begins at 10:00 am, on the 21st of April 2021 and will continue till seats are available.

Thank you!

Stay Safe!

With best regards,

Principal
